**Applicant Email :**

**Current Tuner :**

**Applicant Phone :**

**Outline Details of the Organ :**

**Specification**

**Description of the Organ**  
(250 words or less)

---

### NOTES

- i) Four labelled supporting photographs (general view(s); console; interior) should be sent on a single page. Before submitting any further supporting documentation please contact the Hon. Co-Ordinator (details below). Once an organ is listed the party responsible for the organ, or a person on their behalf, may apply for the issue of an Historic Organ Certificate.
- ii) The completed form and photographs should be emailed to the Hon. Co-Ordinator, Mr Jeffrey Williams, at [hocs@bios.org.uk](mailto:hocs@bios.org.uk), phone 01794 502462.
- iii) Information and pictures supplied in connection with the HOLS application will be used to update the National Pipe Organ Register (NPOR) which is operated by BIOS. Applicants may withhold permission to use personal photographs if they notify the HOLS Co-ordinator of that wish.
